

Dear Realtor Partners,

We are pleased to launch the 2018 Real Estate Honor Roll program, which brings together real estate experts and philanthropy in support of our local public schools. In this inaugural year, we look forward to partnering with our realtor community to raise funds for the five public high schools in the Fremont Union High School District – Cupertino, Fremont, Homestead, Lynbrook and Monta Vista – consistently ranked as one of the best school districts in the nation.

This is your opportunity to **act locally** to bring science classes such as STEM, Digital Innovation Design, and Engineering, along with robotics, theatre arts, the district wide art show and choral event to our schools. We also fund School Loop and Naviance – online tools to manage homework and the college application process, and direct grants to support student-focused programs.

Our Foundation's goal is to donate \$325,000 to keep these essential programs in our schools. **This tradition of academic excellence sustains property values and keeps our neighborhood homes in high demand.**

Help us raise \$50,000 from the local realtor community. Our Foundation asks our families to donate \$400 per enrolled student and we ask you to support us at \$500 or more to help strengthen the community in which we all live and work.

Join our Real Estate Honor Roll program no later than May 1st, 2018!

You can donate online via fuhsfoundation.org/donations/how/ or by mailing the enclosed form with your payment information.

We are offering sponsorship levels at \$5,000, \$2,500, \$1,000 and \$500 to provide **more options and benefits with unique marketing opportunities**. A few of the benefits include:

- Your photo on a full-page color ad in the *Cupertino Courier and Sunnyvale Sun*
- Your realtor banner ad highlighted in foundation e-newsletters to parent and alumni families
- Recognition year-round with *Real Estate Honor Roll 2018* rider signs

Every one of our 10,700 students are counting on your contribution this year. In addition, thousands of people in the Cupertino, Sunnyvale and surrounding areas will recognize and appreciate your philanthropic spirit. **Join us in supporting the Real Estate Honor Roll!**

Warm regards,

Real Estate Honor Roll Office Champions
